

STORY Map

The *STORY Map* can be used whenever a teacher feels the need to take a closer look at a student's social, emotional or academic needs. Teachers complete each box of the map in order from one to five, carefully reflecting throughout.

1 S trengths	2 T endencies <u>What does the child say?</u> <u>What does the child think?</u> <hr/> <u>How does the child act?</u> <u>How does the child feel?</u>	
5 O pportunities	4 R esources	3 Y earnings
